Allowable Subject Matter

1. Claims 2, 4-7, 10-12 allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 2, 7, applicant's arguments, see page 8 of the response filed on 5/26/2004, that the prior art of record fails to disclose a stepped portion provided on said susceptor main body to support said substrate from the bottom, having a size smaller than said substrate, said stepped portion being masked in said masking step, wherein conduction at an end plane of the substrate and the main body can be prevented are persuasive. Therefore, the rejection(s) of claims 2, 4-7, 10 have been withdrawn. The reasons for allowance of claims 11-12 have been stated in the previous final office action (mailing date 1/29/2004)

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
